Dear Molly

I wanted to reconnect with you regarding the Kingdom of Saudi Arabia and the Washington County Chamber. I was curious if you had a chance to review the information on the G-20 summit that I sent you.

I also wanted to share with you a couple of recent news that revolve around the humanitarian effort that the Kingdom of Saudi Arabia is involved in with the World Food Programme in Bangladesh and a recent article from the International Business Times on the G20 framework addressing debt relief for poor nations.

Thanks,

Crystal
